

**THE FIRST OF LONG ISLAND CORPORATION
GOVERNANCE AND NOMINATING COMMITTEE CHARTER**

PURPOSE

The purpose of the Governance and Nominating Committee (“Committee”) is to assist the Board of Directors (“Board”) in fulfilling its oversight responsibilities by reviewing and evaluating the Corporation’s governance practices to ensure that appropriate policies, procedures and systems are in place to identify, measure, and control related risks, including reputation risk.

COMPOSITION

The Committee shall be comprised of at least three directors, each of whom shall be independent directors as defined in the Nasdaq listing standards and free from any relationship (including disallowed compensatory arrangements) that, in the opinion of the Board, would interfere with the exercise of independent judgment as a member of the Committee.

The Board appoints the Chair and members of the Committee at their annual organizational meeting. Members serve until the next annual organizational meeting or until their successors are duly appointed and qualified.

MEETINGS

The Committee shall meet as often as necessary to fulfill its duties and responsibilities, but generally not less frequently than four times per year. The presence of a majority of the members of the Committee in person or by other means of communication through which all persons participating in the meeting can hear each other shall constitute a quorum for the transaction of business. A majority vote of the Committee members present at a meeting, at which a quorum is present, shall constitute an act of the Committee. Minutes of the meetings will be approved by the Committee and maintained.

The Committee may meet periodically in separate executive sessions. The Committee may request any officer or employee of the Corporation or any other professional to attend a meeting of the Committee or to meet with any members of the Committee.
